

**Instructions - PEFA video tutorial:**

For reasons of size management the tutorial version 5.6 has been split into two zipped files.

1. Download the zip files 1 and 2 containing the mp4 format files of video tutorial;
2. Extract the 6 mp4 files of the zip file 1 and the 5 mp4 files of the zip file 2 and save them in a folder of your computer;
3. Open the file you intend to visualize, using a video player that can read mp4 format.
