

EHIS Wave 1 variables: ANONYMISATION RULES				
Module in questionnaire	Variable name	Variable label	Code (original)	Rule applied
Fieldwork	IP04	Date of interview	(ddmmyyyy)	creation of 2 variables - YEAR: year of the survey (4 digits) - MONTH: recoded into 1,2,3, ..., 12
Fieldwork	HHID	Identification number of household	number	unaltered
Fieldwork	HHWGT	Weight of household within the sample	number	unaltered
Fieldwork	PID	Identification number of respondent	number	unaltered
Fieldwork	PWGT	Weight of individual within the sample	number	unaltered
Core social variables	IP01	Country of residence	2-letter code	unaltered
Core social variables	IP02	Region of residence	NUTS at 2 digits level	The variable is removed
Core social variables	IP03	Degree of urbanization	<ul style="list-style-type: none"> • Densely-populated area 1 • Intermediate area 2 • Thinly-populated area 3 	unaltered: broad EHIS categories: - densely populated area - intermediate area - thinly populated area
Fieldwork	PROXY	Proxy respondent	<ul style="list-style-type: none"> • person himself/herself 1 • other member of the household 2 	unaltered
Fieldwork	INSTIT	Live in an institution	<ul style="list-style-type: none"> • person living in a private household 1 • person living in an institution 2 	removed and only data on non-institutionalized population (if possible to separate it) will be kept in the final file
Core social variables	AGE	Age of the person at the moment of interview (age in completed years , i.e. the age at last birthday)	number	5 years age groups with top coding (85 and more): 15-17, 18-19, 20-24, ..., 85+
Core social variables	SEX	Gender	<ul style="list-style-type: none"> • male 1 • female 2 	unaltered
Core social variables	HH03	Country of birth	<ul style="list-style-type: none"> • native-born 1 • born in another EU Member State 2 • born in non-EU country 3 	unaltered: broad EHIS categories: - native born - born in another EU Member State - born in non EU country
Core social variables	HH04	Citizenship	<ul style="list-style-type: none"> • nationals 1 • nationals of other EU Member State 2 • nationals of non EU countries 3 	unaltered: broad EHIS categories: - nationals - national of other EU Member State - nationals of non EU country

Module in questionnaire	Variable name	Variable label	Code (original)	Rule applied
Core social variables	HH05	Legal marital status	<ul style="list-style-type: none"> • single, that is, never married 1 • married (including registered partnership) 2 • widowed and not remarried 3 • divorced and not remarried (including legally separated and dissolved registered partnership)? 4 	unaltered (EHIS uses 4 answer categories)
Core social variables	HH06	Current marital status	<ul style="list-style-type: none"> • Yes, on a legal basis 1 • Yes, without a legal basis 2 • No 3 	unaltered
Core social variables	HH07	Highest educational level attained	<ul style="list-style-type: none"> • no formal education or below ISCED 1 1 • primary education (ISCED 1) 2 • lower secondary education (ISCED 2) 3 • upper secondary education (ISCED 3) 4 • post-secondary but non-tertiary education (ISCED 4) 5 • first stage of tertiary education (ISCED 5) 6 • second stage of tertiary education (ISCED 6) 7 	unaltered
Core social variables	HH08	Current labour status	<ul style="list-style-type: none"> • working for pay or profit (including unpaid work for a family business or holding, including an apprenticeship or paid traineeship, including currently not at work due to maternity, parental, sick leave or holidays) 1 • unemployed 2 • pupil, student, further training, unpaid work experience 3 • in retirement or early retirement or has given up business 4 • permanently disabled 5 • in compulsory military or community service 6 • fulfilling domestic tasks 7 • other 8 	unaltered
Core social variables	HH09	Ever worked for pay or profit	<ul style="list-style-type: none"> • Yes 1 • No 2 	unaltered
Core social variables	HH10	Professional status (employee, self-employed or family worker)	<ul style="list-style-type: none"> • employee 1 • self-employed 2 • family worker 3 	regroup self-employed + family worker into one category

Module in questionnaire	Variable name	Variable label	Code (original)	Rule applied
Core social variables	HH11	Type of work contract	<ul style="list-style-type: none"> • permanent job/work contract of unlimited duration 1 • temporary job/work contract of limited duration 2 	unaltered
Core social variables	HH12	Full-time / part-time distinction	<ul style="list-style-type: none"> • full-time 1 • part-time 2 	unaltered
Core social variables	HH13	Occupation	ISCO-88 COM, 2 digits	kept with 1 digit (10 occupations)
Core social variables	HH14	Economic sector in employment	NACE Rev.2, 2 digits	regrouped in 9 sectors groups: <ol style="list-style-type: none"> 1. Agriculture, forestry and fishing (NACE code A) 2. Manufacturing, mining and quarrying and other industry (NACE codes B, C, D and E) 3. Construction (NACE code F) 4. Wholesale and retail trades, transport, information and communication, accommodation and food service activities (NACE codes G, H, I and J) 5. Financial and insurance activities (NACE code K) 6. Business services and real estate activities (NACE codes L, M and N) 7. Public administration, defence, education, human health and social work activities (NACE codes O, P, and Q) 8. Other services - NACE codes R, S, T and U 9. Unknown sector
Income	IN01	Sources of income specified	<ul style="list-style-type: none"> • sources specified 1 • Don't know 8 • Refusal 9 	unaltered
Income	IN01A	Income from work (as employee or self-employed)	<ul style="list-style-type: none"> o Yes 1 o No 2 	unaltered
Income	IN01B	Unemployment benefits	<ul style="list-style-type: none"> o Yes 1 o No 2 	unaltered

Module in questionnaire	Variable name	Variable label	Code (original)	Rule applied
Income	IN01C	Old-age or survivor's benefits	o Yes 1 o No 2	unaltered
Income	IN01D	Sickness or disability benefits	o Yes 1 o No 2	unaltered
Income	IN01E	Family - child(ren) related allowances	o Yes 1 o No 2	unaltered
Income	IN01F	Housing allowances	o Yes 1 o No 2	unaltered
Income	IN01G	Education related allowance	o Yes 1 o No 2	unaltered
Income	IN01H	Other regular benefits (rental income, annuity)	o Yes 1 o No 2	unaltered
Income	IN01I	No source of income	o Yes 1 o No 2	unaltered
Income	IN04	Reported Household's total net monthly income (categories)	<ul style="list-style-type: none"> • below 1st decile 01 • between 1st decile and 2nd decile 02 • between 2nd decile and 3rd decile 03 • between 3rd decile and 4th decile 04 • between 4th decile and 5th decile 05 • between 5th decile and 6th decile 06 • between 6th decile and 7th decile 07 • between 7th decile and 8th decile 08 • between 8th decile and 9th decile 09 • above 9th decile 10 • Refuse to answer 99 	income quintiles
Income	IN05	Midpoint of the income interval indicated in IN04	number	Recalculate threshold values according to quintiles (merging first and second decile classes into first quintile class, etc.). New categories: 1 - Below 1st quintile, 2 - Between 1st quintile and 2nd quintile, 3 - Between 2nd quintile and 3rd quintile, 4 - Between 3rd quintile and 4th quintile, 5 - Above 4th quintile
Composion of the household	HHSIZE0	Total number of persons in household	number	top coding (7 or more)
Composion of the household	HHSIZE1	Number of children aged less than or equal to 4	number	top coding (3 or more); a country-specific rule for SK: top coding (2 or more).

Module in questionnaire	Variable name	Variable label	Code (original)	Rule applied
Compostion of the household	HHSIZE2	Number of children aged from 5 to 13	number	top coding (3 or more)
Compostion of the household	HHSIZE3	Number of children aged from 14 to 15	number	top coding (3 or more)
Compostion of the household	HHSIZE4	Number of dependent children aged from 16 to 24	number	top coding (3 or more)
Compostion of the household	HHSIZE5	Number of other members aged 16 to 24	number	top coding (3 or more)
Compostion of the household	HHSIZE6	Number of persons aged from 25 to 64	number	top coding (3 or more)
Compostion of the household	HHSIZE7	Number of persons aged more than or equal to 65	number	top coding (3 or more); a country-specific rule for SK: top coding (2 or more).
Compostion of the household	HHTYPE	Household type	<ul style="list-style-type: none"> • One-person households 10 • Lone parent with dependent children 21 • Couple without dependent children 22 • Couple with dependent children 23 • Other without dependent children 24 • Other with dependent children 25 	regrouped answer categories - one person household - lone parent with dependent children - couple with dependent children - couple without dependent children - other
Compostion of the household	HHACT	Number of persons aged 16-64 in household who are at work	number	unaltered
Compostion of the household	HHINACT	Number of persons aged 16-64 in household who are unemployed or are inactive	number	unaltered
Perceived health	HS01	Subjective health	<ul style="list-style-type: none"> • very good 1 • good 2 • fair 3 • bad 4 • very bad 5 	unaltered
Perceived health	HS02	Chronic condition	<ul style="list-style-type: none"> • Yes 1 • No 2 	unaltered
Perceived health	HS03	Long term limitation	<ul style="list-style-type: none"> • severely limited 1 • limited but not severely 2 • not limited at all 3 	unaltered
Illnesses and chronic diseases	HS04A	Ever suffered from asthma	<ul style="list-style-type: none"> • Yes 1 • No 2 	unaltered
Illnesses and chronic diseases	HS04B	Ever suffered from chronic bronchitis, COPD or emphysema	<ul style="list-style-type: none"> • Yes 1 • No 2 	unaltered

Module in questionnaire	Variable name	Variable label	Code (original)	Rule applied
Illnesses and chronic diseases	HS04C	Ever suffered from myocardial infarction	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04D	Ever suffered from coronary heart disease	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04E	Ever suffered from high blood pressure	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04F	Ever suffered from stroke	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04G	Ever suffered from rheumatoid arthritis	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04H	Ever suffered from osteoarthritis	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04I	Ever suffered from low back disorder	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04J	Ever suffered from neck disorder	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04K	Ever suffered from diabetes	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04L	Ever suffered from allergy	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04M	Ever suffered from stomach ulcer	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04N	Ever suffered from cirrhosis of the liver, liver dysfunction	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04O	Ever suffered from cancer	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04P	Ever suffered from severe headache such as migraine	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04Q	Ever suffered from urinary incontinence	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04R	Ever suffered from chronic anxiety	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04S	Ever suffered from chronic depression	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04T	Ever suffered from other mental health problems	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS04U	Ever suffered from permanent injury or defect caused by an accident	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05A	Among those who ever suffered from asthma: diagnosed by a doctor	• Yes 1 • No 2	unaltered

Module in questionnaire	Variable name	Variable label	Code (original)	Rule applied
Illnesses and chronic diseases	HS05B	Among those who ever suffered from chronic bronchitis, COPD or emphysema: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05C	Among those who ever suffered from myocardial infarction: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05D	Among those who ever suffered from coronary heart disease: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05E	Among those who ever suffered from high blood pressure: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05F	Among those who ever suffered from stroke: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05G	Among those who ever suffered from rheumatoid arthritis: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05H	Among those who ever suffered from osteoarthritis: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05I	Among those who ever suffered from low back disorder: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05J	Among those who ever suffered from neck disorder: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05K	Among those who ever suffered from diabetes: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05L	Among those who ever suffered from allergy: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05M	Among those who ever suffered from stomach ulcer: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05N	Among those who ever suffered from cirrhosis of the liver, liver dysfunction: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05O	Among those who ever suffered from cancer: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05P	Among those who ever suffered from severe headache such as migraine: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05Q	Among those who ever suffered from urinary incontinence: diagnosed by a doctor	• Yes 1 • No 2	unaltered

Module in questionnaire	Variable name	Variable label	Code (original)	Rule applied
Illnesses and chronic diseases	HS05R	Among those who ever suffered from chronic anxiety: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05S	Among those who ever suffered from chronic depression: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05T	Among those who ever suffered from other mental health problems: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS05U	Among those who ever suffered from permanent injury or defect caused by an accident: diagnosed by a doctor	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06A	Among those who ever suffered from asthma: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06B	Among those who ever suffered from chronic bronchitis, COPD or emphysema: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06C	Among those who ever suffered from myocardial infarction: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06D	Among those who ever suffered from coronary heart disease: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06E	Among those who ever suffered from high blood pressure: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06F	Among those who ever suffered from stroke: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06G	Among those who ever suffered from rheumatoid arthritis: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06H	Among those who ever suffered from osteoarthritis: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06I	Among those who ever suffered from low back disorder: was this during the past 12 months	• Yes 1 • No 2	unaltered

Module in questionnaire	Variable name	Variable label	Code (original)	Rule applied
Illnesses and chronic diseases	HS06J	Among those who ever suffered from neck disorder: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06K	Among those who ever suffered from diabetes: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06L	Among those who ever suffered from allergy: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06M	Among those who ever suffered from stomach ulcer: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06N	Among those who ever suffered from cirrhosis of the liver, liver dysfunction: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06O	Among those who ever suffered from cancer: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06P	Among those who ever suffered from severe headache such as migraine: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06Q	Among those who ever suffered from urinary incontinence: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06R	Among those who ever suffered from chronic anxiety: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06S	Among those who ever suffered from chronic depression: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06T	Among those who ever suffered from other mental health problems: was this during the past 12 months	• Yes 1 • No 2	unaltered
Illnesses and chronic diseases	HS06U	Among those who ever suffered from permanent injury or defect caused by an accident: was this during the past 12 months	• Yes 1 • No 2	unaltered
Trauma: accidents	HS07A	Injured in a road traffic accident in the past 12 months	• Yes 1 • No 2	unaltered
Trauma: accidents	HS07B	Injured in an accident at work in the past 12 months	• Yes 1 • No 2	unaltered

Module in questionnaire	Variable name	Variable label	Code (original)	Rule applied
Trauma: accidents	HS07C	Injured in an accident at school in the past 12 months	<ul style="list-style-type: none"> • Yes 1 • No 2 	unaltered
Trauma: accidents	HS07D	Injured in an accident at home/during leisure in the past 12 months	<ul style="list-style-type: none"> • Yes 1 • No 2 	unaltered
Trauma: accidents	HS08A	Visit a doctor, a nurse or an emergency department of a hospital as a result of this road traffic accident	<ul style="list-style-type: none"> • Yes, I visited a doctor or nurse 1 • Yes, I went to an emergency department 2 • No consultation or intervention was necessary 3 	unaltered
Trauma: accidents	HS08B	Visit a doctor, a nurse or an emergency department of a hospital as a result of this accident at work	<ul style="list-style-type: none"> • Yes, I visited a doctor or nurse 1 • Yes, I went to an emergency department 2 • No consultation or intervention was necessary 3 	unaltered
Trauma: accidents	HS08C	Visit a doctor, a nurse or an emergency department of a hospital as a result of this accident at school	<ul style="list-style-type: none"> • Yes, I visited a doctor or nurse 1 • Yes, I went to an emergency department 2 • No consultation or intervention was necessary 3 	unaltered
Trauma: accidents	HS08D	Visit a doctor, a nurse or an emergency department of a hospital as a result of this accident at home/during leisure	<ul style="list-style-type: none"> • Yes, I visited a doctor or nurse 1 • Yes, I went to an emergency department 2 • No consultation or intervention was necessary 3 	unaltered
Employment	HS09	Link between conditions and work	<ul style="list-style-type: none"> • No, I had no disease in the past 12 months 1 • No, I had one or more disease in the past 12 months but they were not caused or made worse by my job 2 • Yes, I had at least one disease in the past 12 months which was caused or made worse by my job 3 	unaltered
Employment	HS010	Absence from work due to health problems	<ul style="list-style-type: none"> • Yes 1 • No 2 	unaltered
Employment	HS011	Number of days absent from work due to a health problem	number	regrouped - 1 to 7 days - 8 - 14 days - 15 to 30 days - 31 to 180 days - more than 181 days
Longterm limitations	PL01	Wearing glasses or contact lenses	<ul style="list-style-type: none"> • Yes 1 • No 2 • I'm blind or cannot see at all 3 	regroup 2-'No' and 3-'I'm blind or cannot see at all' into 2-'No'

Module in questionnaire	Variable name	Variable label	Code (original)	Rule applied
Longterm limitations	PL02	Able to read newspaper print	<ul style="list-style-type: none"> • Yes, with no difficulty 1 • With some difficulty 2 • With a lot of difficulty 3 • Not at all 4 	recoding: for blind people (code 3 in PL01) the code 4 is used
Longterm limitations	PL03	Seeing ones face at 4 meters distance	<ul style="list-style-type: none"> • Yes, with no difficulty 1 • With some difficulty 2 • With a lot of difficulty 3 • Not at all 4 	recoding: for blind people (code 3 in PL01) the code 4 is used
Longterm limitations	PL04	Wearing hearing aid	<ul style="list-style-type: none"> • Yes 1 • No 2 • I am profoundly deaf 3 	regroup 2-'No' and 3-'I am profoundly deaf' into 2-'No'
Longterm limitations	PL05	Able to hear in a conversation	<ul style="list-style-type: none"> • Yes, with no difficulty 1 • With some difficulty 2 • With a lot of difficulty 3 • Not at all 4 	recoding: for deaf people (code 3 in PL04) the code 4 is used
Longterm limitations	PL06	Ability to walk 500 metres	<ul style="list-style-type: none"> • Yes, with no difficulty 1 • With some difficulty 2 • With a lot of difficulty 3 • Not at all 4 	unaltered
Longterm limitations	PL07	Ability to walk up and down	<ul style="list-style-type: none"> • Yes, with no difficulty 1 • With some difficulty 2 • With a lot of difficulty 3 • Not at all 4 	unaltered
Longterm limitations	PL08	Ability to bend and kneel down	<ul style="list-style-type: none"> • Yes, with no difficulty 1 • With some difficulty 2 • With a lot of difficulty 3 • Not at all 4 	unaltered
Longterm limitations	PL09	Ability to carry a shopping bag	<ul style="list-style-type: none"> • Yes, with no difficulty 1 • With some difficulty 2 • With a lot of difficulty 3 • Not at all 4 	unaltered
Longterm limitations	PL010	Ability to grasp or handle	<ul style="list-style-type: none"> • Yes, with no difficulty 1 • With some difficulty 2 • With a lot of difficulty 3 • Not at all 4 	unaltered
Longterm limitations	PL011	Ability to bite and chew	<ul style="list-style-type: none"> • Yes, with no difficulty 1 • With some difficulty 2 • With a lot of difficulty 3 • Not at all 4 	unaltered

Module in questionnaire	Variable name	Variable label	Code (original)	Rule applied
Longterm limitations	PC01A	Able to feed one self	<ul style="list-style-type: none"> • No difficulty 1 • Yes, some difficulty 2 • Yes, a lot of difficulty 3 • I can't achieve it by myself 4 	unaltered
Longterm limitations	PC01B	Able to get in and out a bed or chair	<ul style="list-style-type: none"> • No difficulty 1 • Yes, some difficulty 2 • Yes, a lot of difficulty 3 • I can't achieve it by myself 4 	unaltered
Longterm limitations	PC01C	Able to dress and undress	<ul style="list-style-type: none"> • No difficulty 1 • Yes, some difficulty 2 • Yes, a lot of difficulty 3 • I can't achieve it by myself 4 	unaltered
