TABLE OF CONTENTS

Acknowledgments	Page 2
Preface	3
Guide Abbreviations	7 9
Further information	12
Chapter 1: Economy and finance	14
Economic output	16
Economic climate	18
Total labour productivity	20
Interest rates Consumer price indices	22 24
GDP expenditure	26
Government deficit and debt	28
Government taxes	30
Savings and financial accounts	32
Foreign direct investment - outward	34
Foreign direct investment - inward	36
Chapter 2: Population and social conditions	
Population	38
Population by age class	40
Births and fertility	42
Fertility and death rates by region Life expectancy and mortality	44 46
Social protection	48
Health care	50
Marriages and divorces	52
Migration	54
Citizenship and asylum	56
Household consumption expenditure Living conditions	58 60
Activity rates	62
Employment rates	64
Unemployment rates	66
Working time and persons with a second job	68
Labour costs	70
Earnings Education expanditure	72 74
Education expenditure Participation in education	74 76
Youth education	78
Lifelong learning	80

Chapter 3: Industry, trade and services Growing and declining activities Short-term statistics for industry Short-term statistics for construction Short-term statistics for retail trade Short-term statistics for other services Short-term statistics Short-term statistics for other services Short-term statistics for other services Short-term statistics Short-term statistics Short-term statistics for other services Short-term statistics Shor		Page
Short-term statistics for industry Short-term statistics for construction Short-term statistics for construction Short-term statistics for retail trade Short-term statistics for other services Short-term statistics for other services Susiness climate Structural business statistics 94 Enterprise size-classes Tourism 98 Chapter 4: Agriculture, forestry and fisheries Land use in agriculture and forestry Farm labour force Agricultural production Agri-environment and rural development Forestry Fisheries 110 Chapter 5: International trade Share in world trade External trade of services 114 EU and the world market for goods EVolution of EU trade Main EU trading partners 120 EU trade by product Trade between EU Member States External trade indices 126 Chapter 6: Transport Transport overview Road transport Air transport 132 Air transport Air transport Air transport 134 Maritime transport 135 Chapter 7: Environment and energy Energy prices Energy production and intensity 140 Energy consumption 142 Renewable energy Greenhouse gases 146 Water resources 148 Water treatment Generation of municipal waste 154 Freatment of municipal waste 154 Freatment of municipal waste	Chapter 3: Industry, trade and services	
Short-term statistics for construction Short-term statistics for retail trade Short-term statistics for retail trade Short-term statistics for other services 90 Business climate Structural business statistics 94 Enterprise size-classes 96 Tourism 98 Chapter 4: Agriculture, forestry and fisheries Land use in agriculture and forestry 100 Farm labour force Agricultural production 104 Agri-environment and rural development Forestry 108 Fisheries 110 Chapter 5: International trade Share in world trade Share in world trade External trade of services 114 EU and the world market for goods 116 Evolution of EU trade Main EU trading partners 120 EU trade by product 122 Trade between EU Member States 124 External trade indices 126 Chapter 6: Transport Transport overview Road transport 130 Rail transport 131 Air transport 132 Air transport 134 Maritime transport 135 Chapter 7: Environment and energy Energy prices 138 Energy production and intensity 140 Energy consumption 142 Renewable energy 144 Greenhouse gases 146 Water resources 148 Water treatment 150 Generation of municipal waste 152 Treatment of municipal waste		
Short-term statistics for retail trade Short-term statistics for other services Business climate Structural business statistics 94 Enterprise size-classes 76 Tourism 98 Chapter 4: Agriculture, forestry and fisheries Land use in agriculture and forestry 100 Farm labour force 102 Agricultural production 104 Agri-environment and rural development Forestry 108 Fisheries 110 Chapter 5: International trade Share in world trade External trade of services 114 External trade of services 114 Evaluate and the world market for goods 116 Evolution of EU trade 118 Main EU trading partners 120 EU trade by product 122 Trade between EU Member States 124 External trade indices 126 Chapter 6: Transport Transport overview 128 Road transport 130 Rail transport 131 Maritime transport 132 Chapter 7: Environment and energy Energy prices 138 Energy production and intensity 140 Energy consumption 142 Renewable energy 144 Greenhouse gases 146 Water treatment 150 Generation of municipal waste 152 Treatment of municipal waste 154	,	84
