Workshop 'Organic is operational'

Willemine Brinkman

Workshop Organic is operational Hamburg, Germany 14 – 15 June 2017

Objectives

Promoting cross-border knowledge exchange and networking:

- among Operational Groups dealing with Organic Farming, and;
- between these Operational Groups and other Operational Groups as well as relevant research projects dealing with similar issues.

The specific objectives are to assist Operational Groups (OGs) working on Organic Farming by:

- identifying common challenges
- exploring potential solutions to shared challenges
- exchanging good practices
- connecting participating OGs to relevant research projects
- promoting further cooperation between partners from different OGs and research projects

*** These issues are based on the results of a questionnaire which was recently sent to partners in Operational Groups working on Organic Farming.**
