What is new?

eip-agri
AGRICULTURE & INNOVATION

**New CAP
Cross-
Cutting
Objective**

Need to intensify networking activities fostering and sharing knowledge, innovation and digitalisation in agriculture and rural areas

**Single CAP
Network**

**Scope: Pillar I + Pillar II
Streamlining and simplification without losing specialisation**

**More
subsidiarity
for MS**

Increased need for peer to peer exchanges, sharing of good practices, and stakeholder involvement

CAP Networks are an essential part of the integrated approach on modernisation, innovation and knowledge flows

The « innovation dimension » of the future CAP network

In the Commission proposal

Mission	« A platform providing for more exchange of knowledge in order to capture the results and added value of the policy at European level, particularly the Horizon Europe policy »
Members	« Network of organisations and administrations, advisors, researchers and other innovation actors in the field of agriculture and rural development »
Objectives	« Fostering innovation and supporting the inclusion of all stakeholders in the knowledge-exchange and knowledge-building process »
Tasks	« Collection of information and facilitation of networking of funded structures and projects, such as [...] Operational Groups
Link with EIP Operational Groups	« Operational Groups shall disseminate their plans and the results of their projects, in particular through the CAP networks »
One of the three pillars of the AKIS	« Advisory services, research and CAP networks will work together within the framework of the AKIS »
