

Session III

Workplan 2019

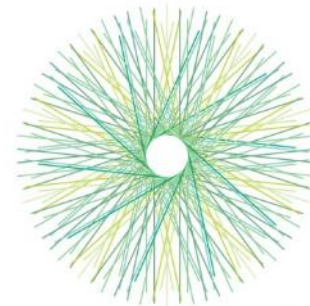

Antonella Zona
DG AGRI B2

SUBGROUP ON INNOVATION
for agricultural productivity and sustainability
12th meeting
18-19 October 2018

SoI meeting 5 June 2018

27 ideas discussed

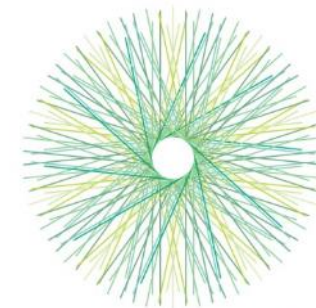

eip-agri
AGRICULTURE & INNOVATION

4 CLUSTERS

1. Innovation in agricultural products and practices
2. Natural resource management & crop protection
3. Business models and digital transformation
4. Innovation networking and capacity building

1. Innovation in agricultural products and practices

eip-agri
AGRICULTURE & INNOVATION

Crop diversification / Promising crops from marginal lands

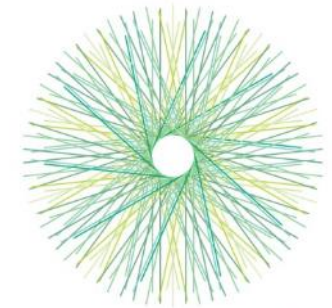

Anti Microbial Resistance in the poultry sector

Beekeeping sustainability

Diversification through niche products (aromatic and medicinal plants)

Soil salinisation

2. Natural resource management & crop protection

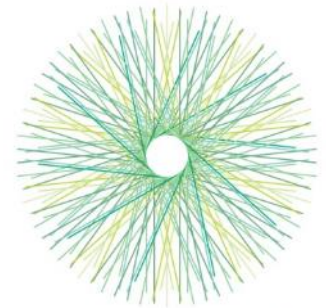

eip-agri
AGRICULTURE & INNOVATION

Reducing pesticides' use

Preserve agricultural soils from contamination

3. Business models and digital transformation

eip-agri
AGRICULTURE & INNOVATION

Enhance environmental performance through new business models and digital solutions

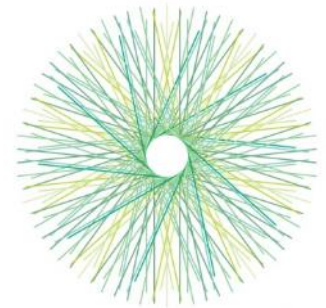

Skills development for the digital transition

Innovative solutions for small farms

"Family farm of the future"

To be considered in 2020 building upon the on-going JRC foresight exercise

4. Innovation networking and capacity building

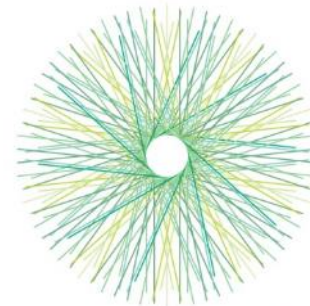

eip-agri
AGRICULTURE & INNOVATION

Boosting OG networking around a priority topic

The future of networking for innovation

N.B. connection with the ENRD event celebrating 10 years of EU Rural Development Networking

Keep in mind...

eip-agri
AGRICULTURE & INNOVATION

Focus Group

- Specific topic
- 20 experts
- 5 FGs per year

Workshop

- Exchange of experiences
- 80 participants
- 2 workshops per year

Seminar

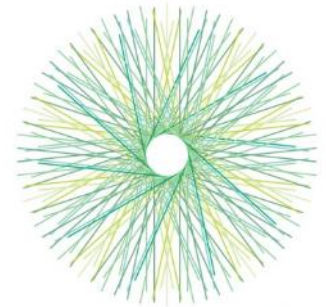

- Broader topic
- 150 participants
- 1 seminar per year

funded by

European
Commission

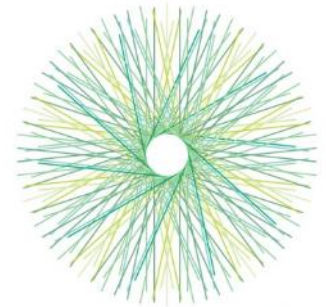

New envisaged Focus Groups

eip-agri
AGRICULTURE & INNOVATION

1. Antimicrobial resistance in the poultry sector
2. Beekeeping sustainability
3. Diversification through niche products (aromatic and medicinal plants)
4. Soil salinisation
5. Preserve agricultural soils from contamination

Session III Workplan 2019

Interactive session: sharpening and targeting the envisaged 2019 activities

Ineke van Vliet
EIP-AGRI Service Point

SUBGROUP ON INNOVATION
for agricultural productivity and sustainability
12th meeting
18-19 October 2018

EIP-AGRI work plan 2019

Aim: to produce a good basis to launch the calls for interest

Participants go to 1 table to discuss the content of the proposal in depth

- Round 1: Focus groups
- Round 2: workshops + seminar (maybe 2 groups on same subject)

Short reporting at 12.00h

Round 1: Strengthen the draft proposal on Focus Groups

Participants go to 1 table to discuss the content of the proposal in depth

- What should be in the draft for the call of interest to experts?
- What questions to address?
- Who are experts to ask for advise?

Results on flip chart

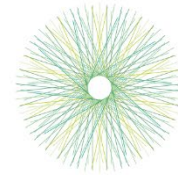

Round 2: strengthen the draft proposals on workshops and seminar

Participants go to a table to discuss the content of the proposal in depth

Workshop/seminar:

- What would be the objectives?
- What are the main actors?
- Who should be involved?

Results on flip charts
