EESTI MAAELUVÕRGUSTIK
ESTONIAN RURAL NETWORK

Estonian NSU support on green architecture

- ✓ The aim is to provide a neutral platform for networking
- ✓ To share good examples and practices
- ✓ Collect and distribute information on green topics
- ✓ Be flexible about changes and listen to the needs of stakeholders

Web seminars related to green topics (1)

- ✓ **Webinar ‘Taking climate change into account at the local level’** (May 2020)
 - The event was organized in cooperation with the Ministry of Environment and the University of Tartu
 - In focus: Impact of climate change. How climate change affects our lives and activities in Estonia? How should climate change be taken into account in rural development and rural business?

- ✓ **Webinar ‘Food loss and waste in the food supply chain’** (February 2021)
 - In focus: Food waste and loss in the food supply chain and their causes, challenges related to food security. Presentations by researchers from various Estonian universities.

Web seminars related to green topics (2)

✓ Webinar 'Development trends and opportunities in the bioeconomy' (October 2021)

- The event was organized in cooperation with the Ministry of Rural Affairs
- In focus: What is bioeconomy? Development of the Estonian bioeconomy. Measures to support the use and processing of bioresources in an innovative and value-adding way.

Green LEADER

✓ LEADER summer seminar 'Green LEADER' (August 2021)

- Estonian NSU organizes yearly summer seminars for Estonian LEADER LAGs, each year the focus is on different topics. This time it was 'Green LEADER'.
- In focus: Green Deal, food waste, nature tourism etc. Discussions on how to support the topic through LEADER.

✓ LEADER theme day - Green LEADER 2 (April 2022)

- Inspiring event for LAGs to help them get ideas for a strategic plan for the new period focusing on green issues.
- In focus: The role of bioeconomy in sustainable economic model and community development. Inspiring examples and reviews on renewable energy, circular economy etc.

✓ Exhibition 'Green LEADER' (2021)

Exhibition 'Green LEADER'

- ✓ The exhibition was created in 2021 by Estonian Rural Network in cooperation with Estonian LEADER LAGs
- ✓ Bring into focus environmental or climate friendly projects which are implemented with the support of the LEADER measure
- ✓ Highlight Estonian LEADER LAGs and their importance in dealing with environmental issues in rural areas
- ✓ Projects topics: local food, alternative energy, hiking trails, lectures and workshops about environment, development of natural products, etc.
