The EU CAP Network Launch

The Launch of the CAP Network brings together the various strands of support in one EU Network

1. Implementation
2. Innovation
3. Evaluation

This will be complemented by new stakeholders, and new joint activities on a single platform & website.

The launch will take place immediately after the [RIA Ceremony](#)

Where: Area 42, Brussels

When: 6th October 2022

What: Bringing together knowledge and information exchange, peer-to-peer learning and sharing experiences and good practices in the implementation of the CAP
