## Legend

Transmission deadline: Y+6m, meaning the reference year + 6 months Eurostat dissemination in Y+7m, Y+13m, Y+19m, Y+25m, Y+31m

First revision marked in blue Second revision marked in orange Final revision marked in green

\*Data are considered definitive on first transmission and are usually not subject to revision

\*\* Usually data is final on first transmission. However, in case major revisions occurred, the revised version is submitted to Eurostat at Y+12 months (Denmark, Italy), Y+18 months (Lithuania) and Y+24 months (Latvia).
