

Early Warning System - Case 8

Consumer goods manufacturer

Final methodological assessment - prepared by the EWS secretariat with the approval of relevant EWS network members

Based on information available in October 2018

Published March 2020

A manufacturer of consumer goods announced in May 2018 that it was planning a significant change of its company structure. The announced restructuring was launched as an EWS case and information was collected and discussed with the two concerned Member States.

However, in October 2018, the manufacturer announced that it would not go ahead with the planned restructuring. Following this, the EWS case was closed.
