Main LFS series will be published in the Eurostat online database under the domain '**LFS main indicators**', and bi-annually updated **LFS based education indicators** under 'Education and training'. By release time, more detailed data will also be available in the domain 'LFS series – Detailed quarterly survey results (from 1998)' and, in April 2024, in the domain 'LFS series – detailed annual survey results', as well as under 'Education and training'.

LFS online database:

<https://ec.europa.eu/eurostat/databrowser/explore/all/popul?subtheme=labour.employ>

DATABASE

- Employment and unemployment (Labour force survey) (employ) 
- LFS main indicators (lfsi) 
- LFS series - detailed quarterly survey results (from 1998 onwards) (lfsq) 
- LFS series - detailed annual survey results (lfsa) 
- LFS series - Specific topics (lfst)
- LFS ad-hoc modules (lfsa) 

In addition, Eurostat releases monthly unemployment rates based on the Labour Force Survey. The corresponding release dates can be found in the release calendar:
