

France  
Connect

## SPEAKER

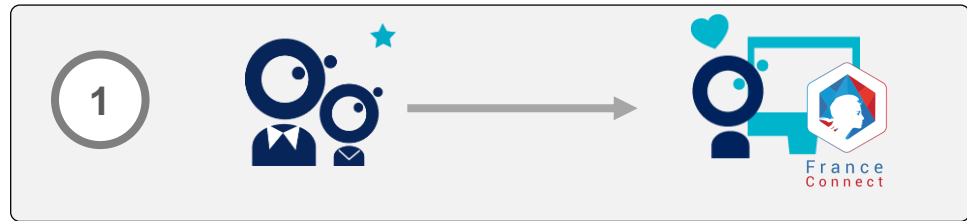

## Eric HEIJLIGERS

FranceConnect Project Manager  
Prime Minister Services

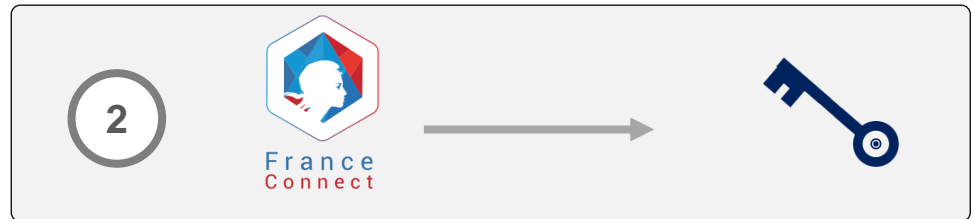

Mail : [eric.heijligers@modernisation.gouv.fr](mailto:eric.heijligers@modernisation.gouv.fr)

## What is FranceConnect ?

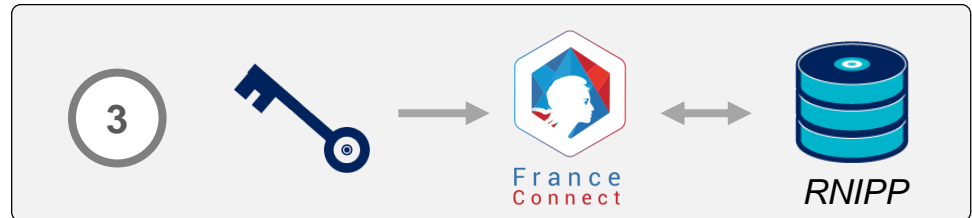

*FranceConnect provides users a **trusted** identity based on their existing accounts*

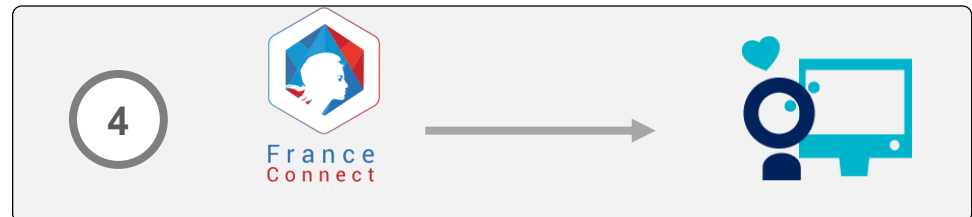

*As a user, I sign up with FranceConnect*

*I choose my favorite identity provider*

*The selected identity provider transfers user data standardized by the National identity base of physical individuals (RNIPP)*

*I am signed with my verified identity on my service provider*

# Roadmap

## Technical development

Sep  
15

**Experiment : 6 service providers & 2 identity providers**

Feb  
16

**Deployment : We asked all ministers to implement the FranceConnect button on their website and aim to have 500 000 unique users in 2016**
