The screenshot shows the Joinup website interface. At the top, there is a navigation bar with the 'joinup' logo and the European Commission logo. Below this, there is a search bar and a welcome message for 'Stijn Janssens'. The main content area is titled 'Connecting Europe Facility' and features a 'Catalogue of Building Blocks' section. This section includes a grid of building blocks: eID, eSignatures, eDelivery, eInvoicing, and Automated Translation. The 'eID' block is highlighted, and its details are shown below, including a description of the electronic identity (eID) building block and its challenges.
