ISA² programme – Benefits

Solutions that work smoothly in cross-border or cross-sector context and can be reused and adapted.

For public administrations:

- more efficient administrative procedures
- reduced time for dealing with transactions
- high end-user satisfaction
- Reduced time & cost for the development of own IT solutions

For businesses and citizens:

- Quicker and cheaper administrative procedures
- Less red tape

The first phase

Evaluation work ran by CEPS between November 2018 and May 2019

- Data collection:
 - Desk research
 - Consultation activities
- Synthesis:
 - Data validation
 - Analysis and judgment
 - Final reporting

Approaching the finish line

Draft and prepare for adoption by 30 September 2019:

- Commission Report presenting the results of the interim evaluation
- Accompanying Staff Working Document presenting the supporting evidence

And the rewards?

Potential quick wins to apply during:

- the last ISA² work programme for 2020
- the transition towards the Digital Europe Programme

Longer term improvements to implement under the new Multi-Financial Framework
