1.- FINAL ACTIVITY REPORT TEMPLATE TO BE USED BY BENEFICIARIES WHOSE ACTIONS HAVE BEEN AWARDED GRANTS BY DG EMPLOYMENT, SOCIAL AFFAIRS AND EQUAL OPPORTUNITIES

This exercise should tell us how the EU-funded action has progressed and what was achieved in the funding period.

It is divided in three different parts.

- The first part refers to a more qualitative self-assessment of your work.
- The second part concerns quantitative information related to your work that we will request you to collect compile and present. You are asked to fill in only the fields which are applicable to your action. This information will be used for the performance monitoring of your funding programme.
 - You will be able to compile most of the required information from your internal files. However, please note that in the case of events (seminars, conferences and similar) we expect you to carry out a short participants satisfaction survey, which would include the standard questions provided below (please see footnote ¹ for more information).
- Lastly, the list of evidence and annexes to be attached is given at the end of the third part.

This form must be completed in English.

The deadline for returning your Final Activity Report including the financial report and your evidence is indicated in Article I.5 of your grant agreement.

We are keen in ensuring that what we fund or do is to the satisfaction of participants. For that we need your assistance. You will thus be requested for each event you are organising to carry out a short on-the-spot survey. We have listed standard questions, which shall feature in the evaluation form distributed to the participants of your events. Depending on the internal needs of your work, your questionnaire may feature more questions, yet these other questions remain outside the scope of our monitoring work. The standard questionnaire below sets only the compulsory questions which shall be posed to the participants as they are (i.e., without adjusting them):

3. Key results (1 page maximum)
